

Bulldog Counseling Corner

October 2023

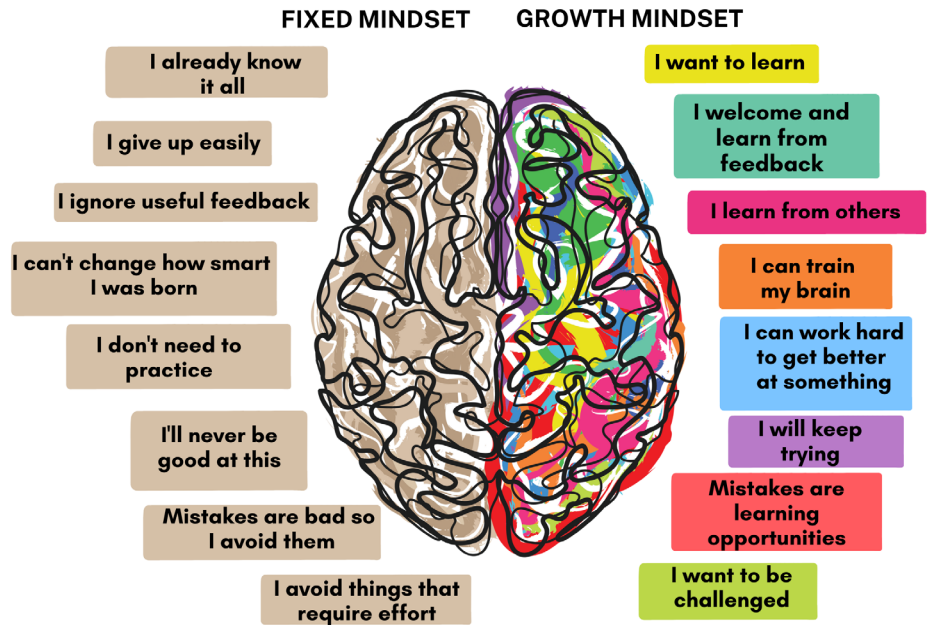

Issue 2

Fall is in the air and we are almost done with 1st quarter! Watch for messages about scheduling a meeting with your student's counselor to talk about their College and Career Readiness Plan (CCRP). Each year, counselors try to meet with each student and make sure students have what classes they need to achieve their goals.

Also, thanks to all who were involved in Red Ribbon Week. What an amazing way to remind kids about how important connections are. Ask your student about their pledge to stay off social media this weekend!

Teachers at Olympus Junior High offer some tutoring before and after school. The tutoring schedule is posted at the main office, as well as on the [Olympus Junior High Counseling Center website](#). Check it out or email a teacher to find a time to meet with them. Students can request to meet with a teacher during advisory time if they need extra help too.

Get Involved!

Try something new this year! Parents and students are always invited to view the morning announcements that are shown in advisory each day at [KOJHUtah.com](#)

Mondays	Tuesdays	Wednesdays	Thursdays

Play Sports

If you are interested in playing a sport at school, pay attention to the announcements. Sports start as intermuals--where everyone is invited to play. After a few weeks, coaches pick a team that will represent Olympus Junior High and play against other district junior high teams. Cross country and track include all who want to compete. After soccer and cross country finish in October, it will be basketball season so listen up for details!
